## [Class Schedule for October 2020](#)

More Classes Will Be Added Soon!

### **ATTENTION**

For some reason the current version of Chrome loads the class schedule extremely slowly. You may want to try using a different browser to save time.

### **IMPORTANT!**

#### **SPOTS AVAILABLE**

The Spots column tells you how many spots are available in each class. If the number is 0 (Zero) with a RED background, THE CLASS IS FULL. Please don't sign up for classes that are full.

### **CLASS TIMES**

All class times are shown in California Time.  
If you want help translating that to your time zone you can use [World Time Buddy](#)

Once you've picked your class,  
Remember the Class ID and  
[Go to the online store](#) to make your payment.
