Class Schedule For October 2019

We've added 2 new classes:
Advanced Modeling
Photoshop & After Effects for Animators

ATTENTION:

For some reason, the current version of Chrome loads the class schedule extremely slowly on some devices. You may want to try using a different browser to save time.

IMPORTANT!

SPOTS
The Spots column tells you how many spots are available in each class.
If the number is 0 (Zero) with a RED background THE CLASS IS FULL.
Please don't sign up for classes that are full.

CLASS TIMES
All Class Times Are Shown In California Time.
If you want help translating that to your time zone please go to
World Time Buddy

Once you've picked out your class,
remember the 5-digit class ID and
go to the online store to make your payment.
